Christmas Club Accounts

A Christmas Club account is a great way to make sure you'll have the money you need when the holidays arrive. If you don't have an account, open one now and start saving. The money in your account will accumulate throughout the year as it earns dividends. You can make deposits easily through payroll deduction, in person or by mail.

Call us, or stop by your branch today to open an account.

Checks for this year's accounts will be mailed the first week of November, or you can have the money deposited into your savings or checking account by calling the Credit Union.

CEO's Message

Share Membership This Holiday Season

Fall has arrived and soon it will be time to begin the holiday season and make plans for shopping, family dinners, and all the special events this time of year brings.

This season I encourage you to share Credit Union membership with your family members and friends. It's the gift that will last a lifetime. Once they join they can take advantage of all the great services you currently enjoy such as high-yielding savings options, lower rates on loans, many electronic services and much more.

Speaking of family...that's what you are to us here at Green River Area Federal Credit Union. As a member, you are part of our special family and we work hard to offer you the best financial products and services available. We are people like you and we understand the challenges you face everyday trying to manage your finances and make ends meet.

Thank you for all your support. I wish you all a very happy and safe holiday season!

New Overdraft Service

An Overdraft to your checking account can happen to anyone. It can be as simple as you forget to record an ATM withdrawal in your check register and then you write a check thinking you have the funds to cover it. That could end up being a costly mistake, especially at other financial institutions that charge big overdraft fees.

One of the benefits to our checking account is our new Overdraft Service. It can help you avoid some of the costs that occur when an item is returned for insufficient funds.

- New checking accounts receive a \$100 Introductory Overdraft Privilege limit at account opening.

- Overdraft Privilege limits up to \$500 are granted to eligible checking accounts opened for at least 30 days in good standing.
- Overdraft Privilege Standard Coverage and Extended Coverage are available.

Helps you save on the high cost of returned items

Please call or stop by your branch today to learn more about Overdraft coverage and how to opt in to the extended coverage.
