## CEO's Message

### Our New Web Site Is Now Live!

After many months of planning and work, our new web site [www.greenriverafcu.com](http://www.greenriverafcu.com) went live on Thursday, July 6. We are very happy to bring you this new site that offers you more of everything you want from your Credit Union.

It is easy to navigate and full of information about services, loan and savings rates and much more. You can easily access your accounts with Home Banking at the Login Box in the upper right of the Home page. Make sure to visit and check out all that is new and bookmark our site in your browser.

July means Summer is in full swing and I hope you are making fun memories with your family at backyard cookouts, vacations and more. I encourage you to share the benefits of membership with your family too. Once they join they can take advantage of all our services. Tell them to visit one of our locations today to join. And if you have a child going off to college, open an account for them, so you can easily make deposits and they can access the money with our debit card.

Speaking of school, mid-Summer also means that soon it will be time to go back to school. If you need money for school expenses make sure to check with us first. We have a low rate loan and a credit card that can help make going back to school a little less stressful on your finances. Remember, we're your credit union and we are here for you!

- Bob Clark
